

- Position Title:** Artist-in-Residence Helper
- Work Location:** Sitka Center for Art and Ecology, 56605 Sitka Drive, Otis, OR 97368
We're located in the pristine area of Cascade Head just north of Lincoln City.
- Purpose of the Position:** Artists-in-residence join us from around the world, as well as nearby, from October to May. Since they are new to the area, and often don't bring a car, they appreciate a little extra help in getting around. While they are deeply engaged in their artwork, they need to go to the grocery store too.
- Responsibilities:** If you savor interacting with artists, this position is for you. Communicate with up to 4 artists-in-residence to help familiarize them with the area. Often, this is their first time to the Oregon coast. Sometimes they're looking for information that could be provided by someone who lives in the area. Sometimes they come without a car so they could use a ride to the grocery store once a week or to a volunteer project occasionally. In general, it's nice for them to have another resource in the area to help out once in a while.
- Qualifications:** General knowledge of the area, a vehicle to provide rides once in a while, and a desire to help artists new to the area.
- Commitment Expected:** Approximately 1-2 hours per week. Early October to late May.
- Training:** There's not any training need for this position but we're always available for questions.
- Physical Requirement:** This will vary based on how you would like to assist the residents.
- Sitka Volunteer Contact:** If this position tickles your fancy, please contact Jalene Case at (541) 994-5485 or email jalene@sitkacenter.org.
